MEMORANDUM FOR: Chief, Mobilization and Military Personnel Division

ATTENTION :

SUBJECT :

Extension of Tours -

25X1A

25X1A

1. It is requested that the following tours be extended for one year to the dates indicated:

25X1A

2. The above enlisted personnel have served at both Base A and Base C. They are now assigned to the Supply Section at Base C and are very capable Airmen who have carried out their duties in an outstanding manner. Their Commanding Officer is very anxious to have them remain for the additional year.

25X1A

3. In the past year we have had trouble getting qualified single supply personnel for our overseas bases. Single personnel are needed in view of the housing shortage. Both [redacted] are single and willing to remain in their present positions. Supply replacements have been married and many of them have had several children. Both bases have requested that replacement personnel be single or married without dependents.

4. Since the above personnel are very capable and not married it is requested that the extensions be approved.
